Pavement Resurfacing

*****ATTENTION-PROJECT REVISION*****

Dear Supervisor, Goncalves:

This is to inform the Town of Lewisboro that the New York State Department of Transportation plans to resurface portions of Routes 35 and Route 121. The Route 35 portion of project will begin at Old Shop Rd. The project continues to the east side of the intersection with 121. The Route 121 portion of the project will begin at the intersection of Route 35. It will end south of the John Jay Middle School. A location map is enclosed for your convenience.

The project will begin in the Summer Construction Season of 2023. The project is limited in scope and will involve milling of the existing roadway surface, resurfacing with a single course asphalt overlay. The project will also include shoulder repairs, restoration of the pavement markings, and some drainage repairs. **This project will no longer be constructed during the daytime hours. Now the project will be constructed during the night time hours.**

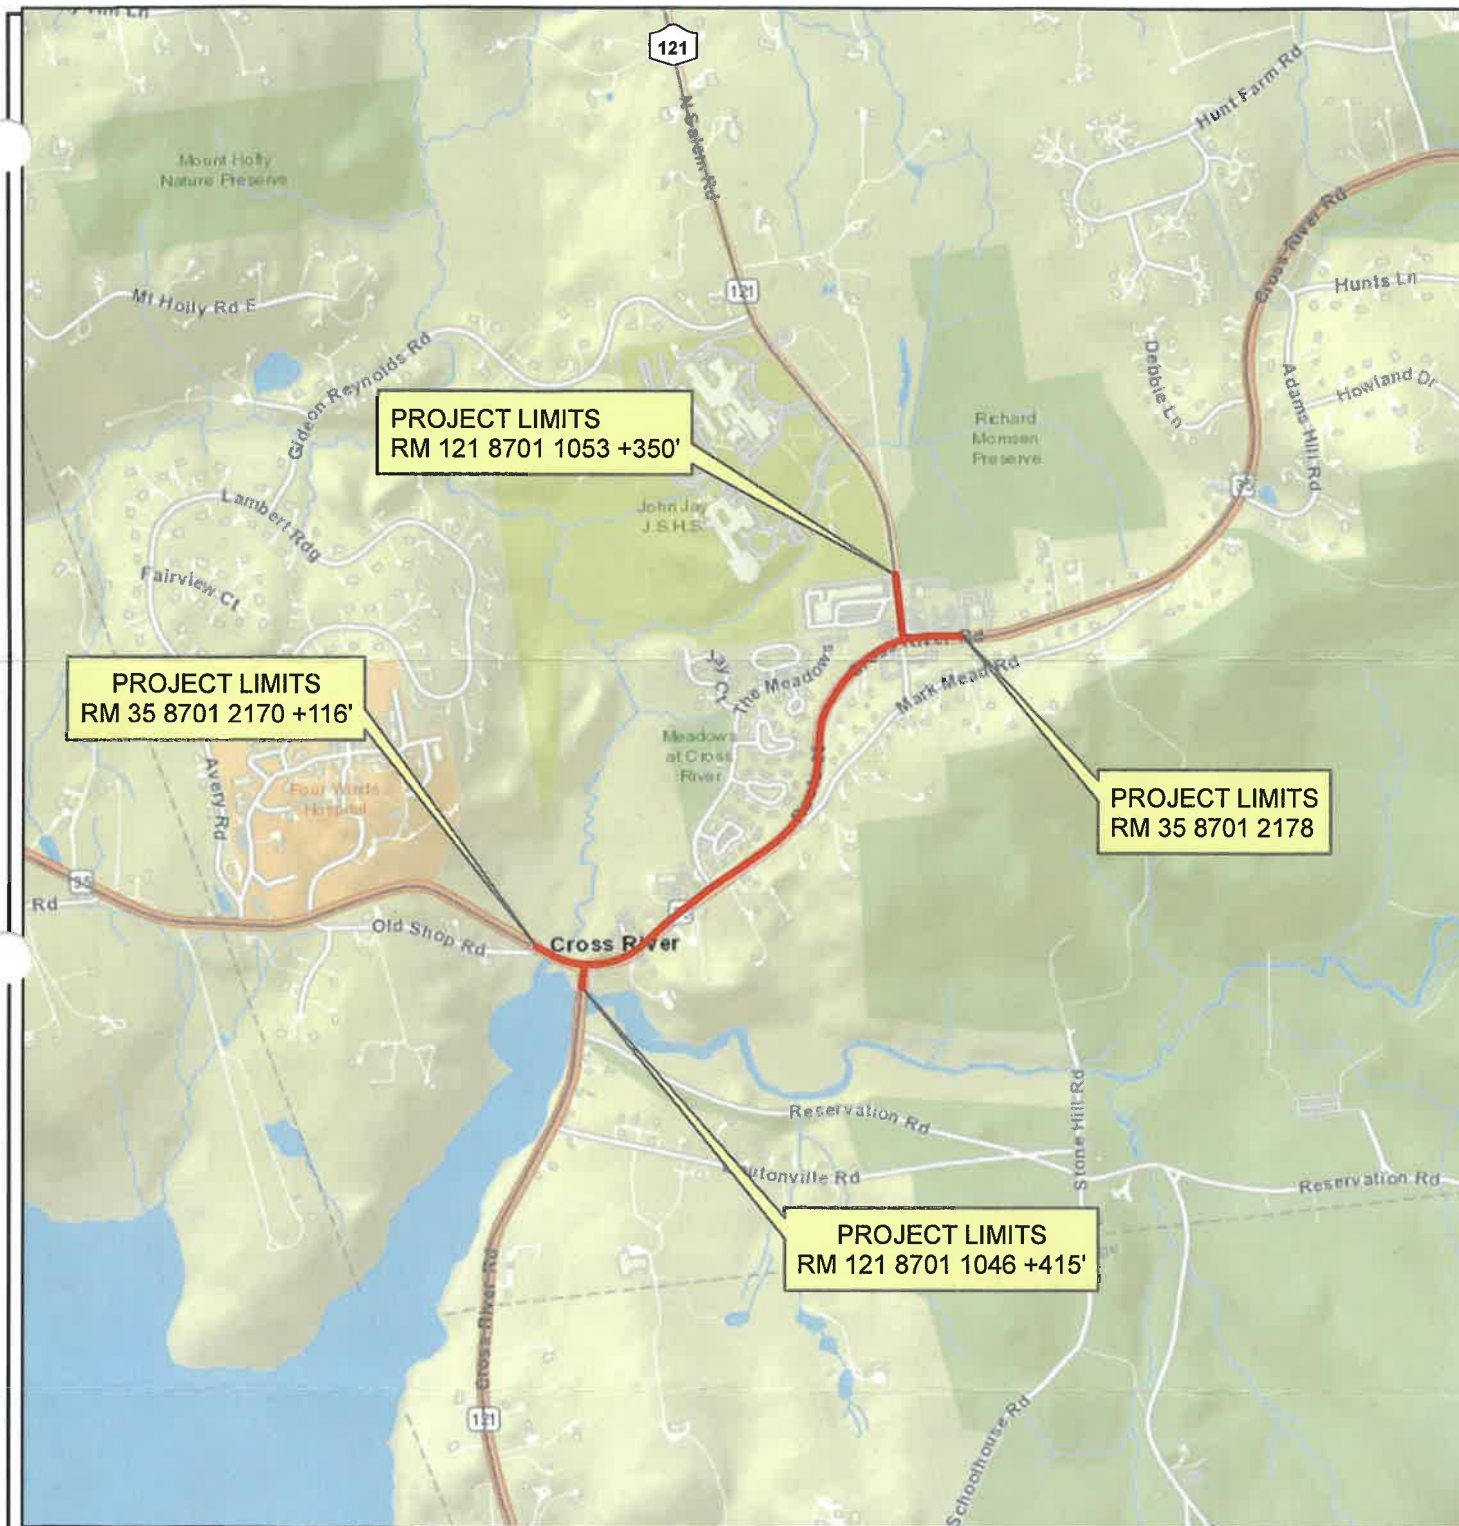

If you have any concerns about this work, please feel free to contact me at (845) 437-3346.

Very Truly Yours,
