NYSEG TO HOST INFORMATIONAL OPEN HOUSES ON SMART METER DEPLOYMENT FOR AREA RESIDENTS

Residents can learn about upcoming installation of smart meters in the Lower Hudson Valley

BREWSTER, NY — October 6, 2022 — As [New York State Electric & Gas \(NYSEG\)](#) begins to prepare for smart meter installations in the region, the company announced it will host informational open houses for communities in Brewster, Beekman and Somers in October. The open houses will provide residents, business owners, municipal officials and other interested parties details about the upcoming installation of smart meters, including its scope of work, timeline and customer impacts. Approximately 88,400 customers in NYSEG's Brewster division, which includes portions of Dutchess, Putnam and Westchester counties, will have smart electric and natural gas meters installed over the next year.

The schedule for the open houses is as follows:

Beekman	Brewster	Somers
Wednesday, Oct. 19, 5-7 p.m.	Thursday, Oct. 20, 5-7 p.m.	Wednesday, Oct. 26, 5-7 p.m.
Beekman Community Center	Brewster Village Office	Heritage Hills Activity Center
29 Recreation Center Rd.	50 Main St.	8 Heritage Hills Dr.
Hopewell Junction, NY 12533	Brewster, NY 10509	Somers, NY 10589

Interested parties are invited to stop by at any time during the open houses. Informational displays and NYSEG representatives will be available to share more details about the installation process, answer questions, and demonstrate how smart meters will provide customers more convenience, control and expanded choice in understanding and managing energy use.

Smart meter installations will begin in early 2023, and NYSEG expects to complete installations in the Brewster division next summer. Deployment schedules by service area may change.

Customers will receive information about their installation approximately two weeks before installations begin in their neighborhood.

Registration is not required and all are welcome to stop by any time during the open houses.
